

Bioethics Seminar – Bi-weekly meetings

The Seminar, led by Prof. Barilan, focuses on various bio-ethical matters, and meets every other week during the regular semesters. Each meeting focuses on core bio-ethical texts, papers or chapters and includes discussions and guest lectures. Topics over the years included: privacy, virtue ethics, utilitarianism, deontology, moral psychology, human dignity and human rights, Jewish Bioethics, clinical ethics, etc.

Registration: please contact Mr. Joseph Lehman joseph.lehmann@gmail.com
